BODY FACIALS

Body treatments are an age old tradition and are at the heart of the Spa Experience. At Kanani Pearl we use holistic principles in our body facials along with natural products to promote ultimate health and beauty for your body, mind, and spirit.

The Seaweed Experience

An indigenous 5-step process from our pristine Pacific coastline that restores firmness to the skin and replenishes lost nutrients. Perfect for cellulite, sports recovery, and inflammation. Your skin and soul will love it!

85/115 minutes \$147/187

Green Tea and Ginger Sea Enzyme Body Mask

Epicuren's most balancing, restorative and invigorating enzyme mask. Green tea balances the body's yin and yang energies. Ginger root invigorates the mind.

75/105 minutes \$112/152

Volcanic Clay Purifying Mask

This detoxifying dry volcanic clay mask purifies, revitalizes and tightens the skin. Volcanic ash absorbs toxins. Chinese clay stimulates blood flow, exfoliates, and cleanses. Botanical elixirs restore, hydrate, heal and soothe. Hawaiian Noni tightens and lifts the skin for more youthful glow.

75/105 minutes \$112/152

All our body masks include steam to heat the body and open the pores, body exfoliation, with head, face, or foot massage

Island Espresso Mud Body Polish

The body is exfoliated with the exotic ingredients of coffee, tobacco, honey and shea butter. Massage is concluded with a fine layer of vanilla bean body moisturizer.

75/105 minutes \$97/137

Coffee and Macadamia Nut Body Polish

This indigenous treatment breaks up fat cells, decreases the formation of cellulite and increases metabolism. The Kauai coffee aroma will arouse your senses. Finished with an application of kukui coconut enzyme moisturizer.

60/90 minutes \$97/137

Papaya Pineapple Body Polish

From the South Pacific we bring you the ultimate body treatment. Your body is gently exfoliated with Epicuren Papaya pineapple scrub leaving you supple and smooth. A heightened state of well being is stimulated by a massage of papaya enzyme lotion.

60/90 minutes \$97/137

Citrus Sea Salt Body Scrub

Deep sea salt with lavender, rose geranium and rosewood invigorates and exfoliates 60/90 \$103/143

Macadamia Nut Scrub

Super emollient, non-greasy exfoliation that leaves a soft, conditioned feeling on the skin. 60/90 min. \$103/143

MASSAGE

Throughout time, massage has been used to ease the mind, heal the body, and indulge the spirit. Our staff of professional therapists is dedicated to improving your health and well-being. We suggest you consult with your therapist to determine your ideal treatment.

Lomilomi

A traditional Hawaiian massage that connects the heart, mind, body and soul. This sacred healing art, passed down from generation to generation, utilizes rhythmic strokes integrating the use of the forearms and elbows.

Lemongrass and Ginger Detoxifying Massage

Warming extracts of lemongrass and ginger are blended to provide a detoxifying and stimulating massage. Ideal for the elimination of toxins and a sluggish digestive tract.

Arnica Muscle and Joint Massage

Mountain wild-crafted Arnica is blended with fresh Rosemary and Bay Laurel, known for their anti-inflammatory properties. It promotes circulation and relief of soreness and stiffness.

Hapai (pregnancy) Massage

Using a special body support system, massage can help alleviate discomfort by easing stress on the joints and reducing neck, shoulder, and lower back tension.

Lomi'ilili (Hawaiian Hot Stone Therapy)

85min/\$143

Lomi'ilili, or "flat stones in motion", is an ancient, traditional Hawaiian method of using hot stones to massage the body. Very therapeutic, deeply penetrating, and so relaxing!

All our massage integrates deep-tissue and relaxation therapies.

Massage Extras

Citrus Sea Salt or Mac Nut Body Scrub.....\$50 (30 min.)
 Macadamia Nut Back Scrub.....\$22 (15 min.)
 Foot and lower leg scrub and massage.....\$22 (15 min.)

ENDERMOLOGIE

Endermologie is the technology of healthy beauty. When fat becomes trapped underneath the skin it can cause a dimpling effect that is known as cellulite. While diet and exercise are keys to healthy lifestyle, these alone cannot fight cellulite. Endermologie is a patented FDA cleared and proven process known to fight cellulite and improve body contouring along with a greater sense of well being. The difference is in the mirror, not on the scale.
